Asks 33c Limit Increase

Tax Override Election Called By L.G. School District Board

The Lemon Grove elementary school board authorized an April 10 election in the district to ask voters to increase the "override" tax limit 33 cents.

The increase, to run for five years, would raise the present "override" limit from $1.65 to $1.98 per $100 assessed valuation of district residents' property.

The district does not always use the full limit, it was pointed out. Netzley said that the rate was often below the $1.65 limit established three years ago.

"Override" taxation is a tax which voters permit to be added beyond the limit established by law. In the April 10 election, a simple majority of votes will pass the issue, according to Byron Netzley, school district superintendent. The increase would raise $90,000, he said.

The board had ordered a study of the district's fiscal potential several months ago after the last budget session produced several cut-backs and cancellations of previously budgeted items, Netzley pointed out.

One area of increase that cannot be averted is the scheduled increases of teacher personnel.

The decision to call the election was based on some action taken by the legislature regarding school programs. The State ratio of funds to local funds has been steadily declining he said. Until recently it was dollar for dollar but now it has shrunken to 40 per cent, he pointed out. It is similarly true statewide. Last year's "spartan" budget depleted the district's reserves. Educational programs sponsored by the Legislature relating to foreign language instruction, the program for exceptional children, the modern math program have added to the cost of education, Netzley said.

"Growth money, which provided us with $10,000 a year from the state, was not forthcoming last year. We are faced with legislation to which we must subscribe but without the Legislature supplying funds to implement it," he added.

Netzley said that the school board, and the administration were in agreement that the programs were educationally good "but added costs and decreased state income have caught the district in a budget bind."

Asks $70,000 For 'Miserable Brown' Hair Beauty Care

SAN DIEGO (CNS) — A suit for damages for $70,000 against the owners of a Lemon Grove beauty shop was filed Tuesday in Superior Court by a woman who claims her health has been ruined by the effects of having her hair tinted.

Mrs. Shirley G. Vagtborg, 40 of 6461 Birchwood st., S.D. is the plaintiff. Named as defendants are E. Juanita Johnson, and Jack H. Johnson, of 132 Jollet Ct., El Cajon, operators of Juanita's Beauty Shop, at 2783 Imperial ave., L.G., and the Roux Laboratories, Inc.

General damages of $35,000, medical expenses and reimbursement for loss of earnings are sought in the action.

Grove Sets Second Tumbleweed Battle

A plea went out to all organizations and individuals in the Lemon Grove area to help in any way they can, the second "T" Day here this Saturday, Feb. 10.

Stubbs said assembly time is 9 a.m. at the Lemon Grove youth center across from the junior high school. This will serve as anti-tumbleweed headquarters during the second "T" Day.

Anyone willing to help out on Saturday's "T" Day may call Stubbs at CO 4-1056, the L. G. fire department business phone, HO 6-1459 or show up at the youth center at 9 a.m. on Feb. 10. Those wishing to report tumbleweed growths or need help in burning, may call the business phone.

New Dump For SV-LG

SAN DIEGO (CNS) — Plans for acquisition of land for a new refuse disposal operation for Spring Valley, Lemon Grove, National City and parts of La Mesa were approved Tuesday by the County Board of Supervisors.

The proposed site constitutes 42 acres, located at Jamacha Junction, in the upper reaches of the Sweetwater River Valley.

T. M. Heggland, chief administrative officer, recommended to Supervisors that the county acquire the land, if it can be obtained for close to the price for which neighboring land was recently sold.

The property is part of the estate of the late Tom Sharp. The county tried to acquire it before, but the asking price then was $3,000 per acre, and Union Title Co., acting for the Sharp estate, was not interested in selling a small acreage.

Heggland said that the title company had changed its mind about insisting on large acreage sales. He added that part of the Sharp land had just been sold for $1,500 per acre.

Supervisors authorized Heggland and Vincenz to negotiate with Union Title Co. for an option on the 42-acre site. The Board also directed that an appraisal of the land be obtained.

A Newspaperman's Love Affair

"Why do I love the newspaper so much?" asks a cover piece on QUILL magazine... QUILL is the magazine of the journalistic fraternity Sigma Delta Chi.

Quill's Valentine Week answer: "Because of the spirited and dedicated people who make it . . . because of the people who buy it and advertise in it and read it . . . but most of all because of the people of every kind and class and character it must tell the world about.

"It has an entree to everybody. It can walk into the office of the President of the United States, into an operating room where a doctor is performing a miracle of surgery, into the death house at the penitentiary.

"Almost everybody will talk with it, if it is honorable and discreet and knows how to ask questions for the answers it seeks.

"Every human activity is on its best and it is interested in everything that happens in the world, for everything is its concern."

Let's Have An Economic Boom

There may be many bright signs for a better economy on the horizon but, as they say in business circles, things are awfully quiet right now.

Glowing gross national product and employment reports by the federal government would tell you otherwise, but we have a worrisome unemployment quotient and those with jobs are apparently afraid to spend much, all of which keeps the lid on the nation's economy.

A couple of years ago we offered to help the federal government solve its recession problem with the Goodwin Tax Relief Program but they ignored our plan and business got better and more people went to work anyhow. An oversimplification of the GTRP is our foreign aid program. Instead of pouring more "hard cash" dollars into foreign aid, we suggested that the tax payer would be permitted to issue i.o.u.s. to the U. S. Treasury instead of cash money for income taxes. These promissory notes would be issued to foreign aid countries instead of cash money. When the foreign aid country paid up its own promissory notes to the U. S. Treasury, they could then convert the taxpayers' notes into cash because at that time the taxpayer would be required to go back on a cash basis too.

It seemed rational to us at the time that so long as our debtors were dealing strictly in paper-backed future promises, many that were destined to be forgiven or forgotten, that we taxpayers might deal solely in the coin of the realm.

The newest plan we wish to offer the government, without charge, of course, is the Goodwin Withholding Tax Knock-off Plan. In this plan the U. S. Internal Revenue Service would say to all employers: "Boys, instead of shipping us the employes with-holding tax on one week's pay, say the March 1 week, give it to the working stiff in a separate check with the admonition from IRS to spend it for that pair of shoes, or the bottle of wine, or the dinner at your town's cafe, or for new tires, or your doctor bill, or for whatever it will cover of the taxpayers' needs."

This $10 to $20 windfall going to every taxpayer in the nation could start the darndest buying spree boom the nation has ever had. That would mean more jobs, more confidence, more capital outlay, and, in turn, more taxes.

It won't work, you say? Well, neither will the give-all

Two Junior College Issues On June Ballot

The Grossmont Junior College District Board of Trustees voted a 3-2 split Monday night to bring to vote on June 5 one bond issue for $7.5 million for a Fletcher Hills junior college, and a half million more in a separate issue to purchase lands east of Spring Valley for a second facility.

The big issue would acquire 133 acres north of Katherine st., in Fletcher Hills and would build and equip a college with a capacity of 2,500 students. The construction would be expandable to later handle as many as 5,000 students.

The voters, in the separate issue, would decide whether or not 120 acres of the Monte Vista Ranch (also known as the Tom Sharp property) should be purchased for later college construction.

The existing junior college, established at the Monte Vista high school in Casa de Oro, presently has 600 full time students and 900 part time ones.

In the voting Monday the same two trustees who rejected the $7.5 million figure, did so again. These members are Robert Dryden and Robert Brown. In neither instance did the two suggest that the college facility shouldn't be brought to issue. Dryden expressed a desire to make the total as small as possible to make passage more likely.

Mrs. Portia Goode, Palmer Svalstad and Rexford Hall, board president voted for the motion.

An $8 million junior college issue was defeated in an election Oct. 10.

Sups See Socialism In Hospital Bill

SAN DIEGO (CNS)—Members of the County Board of Supervisors Tuesday took, as they described it among themselves, "one more big step toward socialism."

But the Board, in voting to relieve the children of county hospital patients of responsibility for their parents' bills, took the step reluctantly.

"We have no choice," said Supervisor R. C. Cozens. "This is the result of action by the state, and we would lose more than we would gain if we continued to try to collect."

SCHOOL BONDS SOLD FOR RECORD LOW INTEREST RATE

State Treasurer Bert A. Betts this week announced the sale of $100 million of school building aid bonds to the lowest of three competitive bidders. The average net interest cost of 3.1803 per cent is the lowest in almost four years and below the national average for the first time in nearly six years.

The low bid was by the syndicate headed by the Bank of America and all three bids were actually below the National Bond Buyers Index figure of 3.35 per cent and "continue the savings to the taxpayers made possible by the restoration of competition in California bond sales," Betts said.

ARMANDA RODRIQUEZ IS AN OUTSTANDING MAN

A Grovan, Armanda Rodriquez, who is vice principal of Gompers Junior High School and lives with his wife and two children at 2031 Dayton dr., Lemon Grove, experienced a distinct honor on the evening of Jan. 25.

A recognition dinner was held for him, and hundreds of friends, associates and members of organizations he's worked with, attended the event in the Cotillion Room of El Cortez Hotel.

If the occasion had been on television, it would have been another "This Is Your Life."

The dinner was sponsored by the American G. I. Forum, a group of which he's state vice chairman. (He founded the San Diego Chapter of the Forum). Person after person stood up and obviously speaking from their hears gave testimony indicating that Rodriquez is a doer, thinker and lover of people.

A representative of Gov. Pat Brown was among the speakers. He said that Rodriquez (an emigrant) brought with him from Mexico vast human resources.

Another speaker noted that Rodriquez still has half of his life before him and that it is possible that the second half will be even better.

It was all a moving experience for me, too for I was present. There seems to be little doubt that Rodriquez' humanistic personality has warmly and significantly pervaded what he's been a part of. And he's been part of much.

Said Rodriquez in response: I humbly stand before you here tonight and I am sincerely honored. But I don't know that I can live up to what's been said.

But there are a lot of people who would disagree with that last statement.

Whatever crushes individuality is despotism, by whatever name it may be called.

L.G. Girl Recovers From Bike Mishap

Pretty Barbara Sue Reiley, 13 of Lemon Grove has been attending school lately in the aftermath of a bicycle accident that occurred on New Year's day. Then she shared a bike ride down Pergyl st. hill near her home with two neighbor kids, Karen Julian, 10, and Donald Julian, 7.

When the front wheel hit a manhole cover, she took a spill that knocked out two front

teeth, loosened a third and tore up her lips so badly that no stitches could be taken at Grossmont hospital where she was taken.

Donald and Karen were bruised and shaken in the mishap but not injured.

Barbara is the daughter of Mr. and Mrs. Joseph Reiley of 2547 Pergyl st. The picture above shows Barbara before the accident. She plans to get bridgework done to fill the gap where teeth now are missing The few scars on her face will disappear with time, she hopes, and she will once again appear as pretty or prettier as she does in the picture.

A Name Is A Name Is A Name

According to Kerwin Hoover, the conductor of the widely read column, "Grassroots Clippings," a California publisher in Corona mulled around a bit on the prospects of adding a fillip to the names of newspapers. Says Kerwin,

'Justin Hammond of the Corona (Calif.) Independent, started to think up some lively names that could be applied to his state's newspapers. Included were Imperial Ruler, Orange Squirt, Blythe Spirit, Hayfork Pitch, Gardena Aroma, Needles Haystack, Saratoga Trunk, San Andreas Fault, Yreka Eureka and Tomales Sauce. Says Justin, "Maybe some of these don't sound intriguing, but at least I tried. What do you expect? After all I have to write my own material. And as to what might be a better name for our Corona Independent. Well, it might be called Corona-Corona. That's the best isn't it? Actually it's sometimes called the Corona Indecent.

'And not just behind my back, either. Justin acknowledges that actually there are some good names already fixed. For instance, the paper in Walnut Creek really is called the

KIWANIS HEAR ABOUT 'Y'

L. G. - S. V. Boys Sought By Heartland Y. M. C. A.

Boys in Spring Valley, Lemon Grove, La Mesa, El Cajon, Lakeside and Santee are being sought to join the Heartland YMCA in that organization's 1962 membership drive which started Feb. 1.

In connection with the drive, the Spring Valley Kiwanis Club hosted area officials of the YMCA at the Jan. 31 meeting, and heard talks telling about the famous organization for boys.

These officials were Don Irwin, Spring Valley insurance man and S.V. chairman of the drive, who introduced the other speakers: Earl Smart, L.G. attorney and chairman of the Heartland board of managers; Pat Hyndman, general chairman of the "City and County Membership Roundup," and George Mears,, executive secretary of the Heartland YMCA.

Earl Smart said the Heartland "Y" has been in operation for over two years. The organization's top activity, he said is the Indian Y Guides, a father-son program which is bringing fathers and sons closer together, helping curb the juvenile problem.

George Mears, who has been in YMCA work for 27 years said the "Y" camp, Camp Marston in the Cuyamacas, has had more campers in the past five months than any other in the county except one. He also praised the Indian Y Guides, calling their program a Christian one in which children from six up can start their life's training.

Mears pointed out that in the past 10 years, YMCA membership has increased 70 per cent throughout the nation and 100 per cent in the Heartland area.

The "Hi Y" (YMCA in the high schools) have gone a long way toward eliminating "clandestine" clubs, Mears said.

Another very important thing the YMCA is sponsoring, Mears said, are portable game units that are set up in various communities. He said these game units are hauled on trailers from place to place in order to give youngsters a chance at recreation.

Pat Hyndman said the YMCA is the best and largest Christian organization in the world and has been operating in the United States for 170 years. The organization is active in many programs, he said and established the first "giving" campaign in San Diego county. There are 256 busy committee people working all the time for YMCA in this county, Hyndman said. The "Y" not only is a help to local persons, but to people who are traveling from place to place, Hyndman pointed out.

Hyndman urged all persons in the Heartland area to get behind the annual Heartland area YMCA membership drive. Goal for the Heartland area this year is $6,500 of which $1,300 is hoped to be contributed by Spring Valley people. Don Irwin, S.V. chairman said he has membership cards and full information. You may contact him at HO 9-2469.

Dear Editor:

I would like to call Max Goodwin's attention to the fact that; "I am the Lord thy God . . ." etc. is not the first commandment but that; "You shall have no other gods before me" is the first commandment. The second commandment is "You shall not make yourself a graven image, or any likeness of anything that is in heaven above, or that is in the earth beneath . . ." etc. Exodus 20:3, 4.

MEN WEAR HEARTS ON SLEEVES

Young men literally "wore their hearts on their sleeves" during early celebrations of Valentine's Day. World Book Encyclopedia relates that men chose their valentines by drawing slips of paper with names from a vase. Each young man then wore the paper with his lady's name on his sleeve for several days.

Jim Bear Speaks For C.V. Demos

Jim Bear, National City attorney and candidate for assembly in the 77th Assembly District, spoke before the South Bay Young Democrats lately at the home of Sherry Jasek at 675 Arthur, Chula Vista.

Bear said: "The Democratic Party in California needs a vigorous Young Democratic organization. Over the past year, in California, the Young Democrats have grown in numbers and in political maturity. As a previous state vice president, I urge that you continue your efforts to increase membership and fight for the causes you believe. However, I also urge that you support responsible resolutions and oppose such ultra-liberation positions, such as: (1) Admission of Red China to the United Nations; (2) Unilateral disarmament; (3) Repeal of the Smith Act; and (4) Abolution of the House Un-American Activities Committee."

Bear stated: "I was elected a state vice president on the Conservative Slate and have always fought against the ultra-liberal and non-responsible resolutions proposed by the far left. It is as important to watch out for the irresponsible left as the radical right."

THELMA WALTERS

HOME ECONOMIST
Eastern District
SAN DIEGO GAS & ELECTRIC CO.
suggests

Baking bread can be both fun and easy when you know the secrets. Once you learn, you can surprise your family often with home baked treats.

Learn "All About Baking Bread." That's the subject of my cooking school this month. The program will be presented **Tuesday, Feb. 13**, from 12:30 to 2 p.m., and again **Tuesday, Feb. 27**, from 10 to 11:30 a.m., in the comfortable auditorium of San Diego Gas & Electric Company's Eastern District Office, at 104 North Johnson Street in El Cajon.

We will discuss yeast breads, quick breads and refrigerated packaged breads. We'll prepare and bake a fresh loaf of whole wheat bread that has to rise twice. We'll also bake a casserole bread that rises once.

We'll do refrigerated rolls which are liked because you can make them ahead of time. Also we'll show you how to make rolls of all shapes, including hot cross buns and English muffins. For quick breads, we'll bake and orange nut loaf, skillet cornbread and sausage, and cherry nut rolls. And for packaged breads, we'll demonstrate how you can use your own special tricks with refrigerated biscuits.

Plan now to be with us. Free door prizes will be given away, and of course, admission is free

SV Nazarene Choir Tours In Mexico

The Spring Valley Church of the Nazarene on Feb. 2 had the choir on a goodwill concert in Tecate, Baja California, Mexico. The local church has contributed much to the Mexican people, according to Pastor Dean Shaw. Last year over $1,300 was sent to them in commodities and materials. The choir concert was presented with the theme, "Hands Across the Border." It was another effort in creating Christian understanding and goodwill between the nationalities, Rev Shaw said.

The 24-voice choir, directed by Chet Griffith was accompanied by a number of other interested persons. Miss Daisy Buby of Spring Valley interpreted the musical messages to those gathered in the Tecate Church of the Nazarene.

The local choir is planning a number of outside musical engagements across the border. It has served a double purpose in that it has increased the interest and enthusiasm of the choir members. It was a sense of satisfaction to serve outside the local church, Rev. Shaw indicated.

This weekend the church is also closing a week of special services with Evangelist Rev. George Gains. The week has been filled with a dynamic presentation of the Gospel, and the weekend services promise to be outstanding. Rev. Shaw invites everyone to attend.

Series On Man Slated At VLM

Beginning a series of three sermons on man, Rev. Richard G. Davis will speak first on Man's relationship to God and Self. The Sundays in Brotherhood week, Feb. 18-25, will deal with man's relationship and responsibility to his brother.

This Sunday, Feb. 11 is also World Friedship day at VLM. At 7:30 in the evening, the Christian youth will take folks on a guided tour of the church school departments, each of which will be decorated to represent a certain mission station.

The World Outreach department will conclude the evening with a service of worship in the sanctuary.

Morning classes are at 8:45 and 9:45 a.m. Morning worship is at 9:45 and 11 with the observance of the Lord's Supper a weekly celebration at VLM.

Methodists Plan 'Hong Kong Sunday'

A modern-day Albert Schweitzer and a girl from Hong Kong will be speakers on the Lemon Grove Methodist Church's Hong Kong Sunday program Feb. 11, according to Dr. Jordan Detzer, pastor.

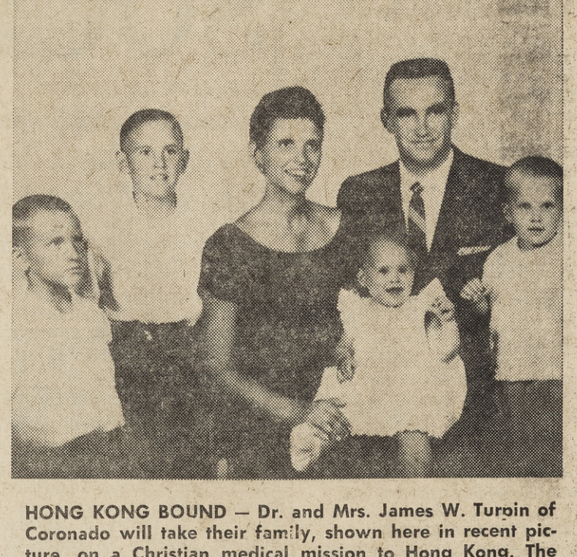
The Schweitzer is Dr. James W. Turpin, M.D., 33, who is on the city council in Coronado and has been practicing medicine in that community. He will leave the United States soon on Project Concern, Inc. in Hong Kong.

Sharon Wong

The girl is Sharon Wong, 18, of Hong Kong who is attending Cal Western University.

Turpin said he is taking his entire family with him to Hong Kong. He described Project Concern, Inc. as an independent Christian medical relief organization which seeks to function on the very doorstep of Communism.

Hong Kong Sunday will include three hours of services by the Turpin family and Sharon Wong.



HONG KONG BOUND — Dr. and Mrs. James W. Turpin of Coronado will take their family, shown here in recent picture, on a Christian medical mission to Hong Kong. The Turpins will appear on a special Hong Kong Sunday program at the Lemon Grove Methodist Church on Feb. 11.

Haitian, Indian Educators Visit Here

FOREIGN TEACHERS — Sam K. Solleder, asst. supt. of L.G. schools (center) greeted fellow educators from Haiti and India last week at the L.G. School District meeting. With Solleder are Gracia Isidore (right) from Haiti and Anthony D'Souza, Indian teacher, who are touring California as guests of the State Dept. of Education.

Both social studies and geography majors, the two men observed junior high classes in these subjects at Lemon Grove and Palm Junior Highs. They also spoke to students at special assembly programs for top school citizens.

India, D'Souza said, boasts a population of three hundred and sixty million, existing on one and a third million square miles. Haiti, by comparison, has three million people with 11,000 square miles. Both have traveled extensively in the U. S., visiting schools, and were impressed with California's public education system.

They had hoped to see all of California's main attractions, along with school plants, they said. A bit disappointed in Hollywood, which folks "back home" had listed as a "must" on their agenda, they reacted to famed Disneyland like old and young from everywhere — "It's most unique . . . . it's wonderful!"

Guest speaker will be Rev. Philip Strickler, pastor of the Warner Memorial Evangelical Church on Campo rd.

There will be two baptismal services at the Bancroft Baptist Church on Sunday; one at 11 a.m. and the other at 7 p.m. At the a.m. service, Rev. Lewis Ginn's text will be the "Meaning of Baptism" and in the evening he will speak on "Disciples of Jesus."

Monte Vista Hoopsters Gain Spot 2 In Grossmont League

by Bill Ott

Monte Vista, a team for the future gained undisputed second place in the Grossmont League basketball race after winning one and losing a game in last week's activity.

The Monarchs playing with two seniors, two sophomores, and one freshman rolled by rival Mt. Miguel last Tuesday afternoon, 51-37, but dropped an important meeting to league leading Grossmont Friday night 64-42. Both games were played in the Monte Vista gym.

The Monarchs jumped out in front 13-6 at the end of the first quarter, and the Matadors could not develop enough steam to catch the Monte Vista five. In the first basketball meeting between the two schools that split last fall, the Miguelers attempted to rebound in the second period with a 17 point tally but the Monarchs rolled along with 16 points for a 29-23 edge at the end of the half.

Coach Bill Gillespie's charges outscored the Matador quintet 10-8 in the third chapter and 12-6 in the final quarter for the 51-37 final.

Bob Anderson, second highest scorer in the Grossmont loop tossed-in 22 points while sophomore teammates Stan Landis and George Gray added 10 each for the winners. Jerry Dame and Doug Ashley paced the losers with 13 and 9 points respectively.

In Friday night's fray with the Grossmont Foothillers before an estimated crowd of 1,100 the Monarchs could not stop the tall, strong Foothillers lead by 6' 7" Rich Baker. The Hillers moved to a 21-12 first quarter lead after holding margins of 8-3, 15-7, and 19-10 over the scrappy, young Monte Vistans. Grossmont rapped the nets for 15 points in the second period while holding the Monarchs to 10 for a 36-22 comfortable margin at the half. The Foothillers were without the services of Baker the last 4 minutes of the second period. the big center had 3 personal fouls, but his shoes were filled capably by guard Cary Rader who finished the night with 17 points.

The Grossmonters outscored the home five, 13-8 in the third period and were headed for the triumph with a 49-30 score moving into the final period. A 15 point fourth stanza effort by the Hillers and a 12 point flurry by the Monarchs enabled the visitors to emerge with their seventh straight league win.

Sophomore George Gray's 15 points were tops for the losers, with Bob Anderson, closely guarded throughout the evening adding 11 points in the losing cause.

Mt. Miguel Boy Going To Argentina As Exchange Student

Ray Whitmus

It isn't often that a teenage boy has a chance to visit a foreign country twice in four years, but Ray Whitmus, Mt. Miguel junior, qualifies. He's going to Argentina next fall for a year as an American exchange student.

Four years ago he made a voyage to Peru aboard the Westgate skippered by Captain Ken Reynard. This whetted his interest in and enthusiasm for Spanish and his love for travel and Spanish culture was furthered by his Spanish teachers, Robert Conger and Robert Rexer. But the clincher came when Mrs. Dwight Putnam, San Diego area coordinator for AFS, came to his classes last fall to promote interest in the program.

"There's so much to look forward to," Ray remarked enthusiastically. "Meeting the different types of people will be a continual source of enjoyment. My knowledge and undertsanding of Spanish should be greatly improved by my year in Argentina."

NEW GROUP MEETS

SV Baseball Council Elects First Officers; Establishes By-Laws

The Spring Valley Baseball Council, an organization that has been in the making over the past few months became a reality this past week. A meeting held last Thursday night at the home of Dick Golden in Brookside saw the election of the Councils first officers: Jim George of the Spring Valley Pony League, president; Warren Grimm of the Cajon de Oro Little League, vice president; Eugene Fryberger of the S.V. Little League, secretary, and Dick Golden of the Valley de Oro Little League, treasurer.

Another important phase of business was the reading and acceptance of by-laws. First read was the "Objective" of the organization. This was discussed at some length, revised and finally accepted. It reads:

"The object of this Council is to provide coordinated guidance and financial support to its members.

"The membership of this Council shall consist of any youth organization seeking membership and approved by the full board of directors."

A board of directors will be voted in at a later date, it was pointed out.

Registration for the Spring Valley Pony League was held this week. Pres. George said it is the hope of pony league officers to have eight major league teams this year, as they wish to give every boy a chance to play. He said starting of minor teams is doubtful.

Warren Grimm, president of the Cajon de Oro Little League said his league intends to have six major teams, six minor teams and three cap teams. They will have a parents' meeting Fri., Feb. 16 at 7 p.m. in the Casa de Oro school. Registrations will be Feb. 17 at 8 a.m. at Foster Field, Russell rd. and Fuerte.

S. V. Little League president Fryberger said he hopes for eight major teams and eight minor. There are no plans for cap teams this year. Registration will be Feb. 14 at both Rancho and Avondale Elementary schools beginning at 7 p.m.

Dick Golden, president of the Valley De Oro Little League, said his group plans six major teams, six minor, and eight cap. Their registration and general meeting will be Feb. 20 at 7:30 p.m. in the S.V. Junior High School.

Spirit Synonym For God Theme Of Sunday Service

"Where the Spirit of the Lord is, there is liberty." This declaration of Paul to the Corinthians (II Cor. 3:17), is the Golden Text keynoting the Lesson-Sermon on "Spirit" in all Christian Science church services on Sunday.

The spiritual significance of events in the life of the Apostle Paul as recorded in Acts (9:4, 5, 8, 17, 18) is emphasized in the sermon. On his way to Damascus to persecute the Christians, "suddenly there shined round about him a light from heaven: And he fell to the earth, and heard a voice saying unto him, Saul, Saul, why persecutest thou me? And he said, "Who art thou, Lord? And the Lord said, I am Jesus whom thou persecutest . . . . and when his eyes were opened, he saw no man." In Damascus, Ananias "entered into the house; and . . . said, Brother Saul, the Lord, even Jesus, that appeared unto thee in the way as thou camest, hath sent me, that thou mightest receive thy sight, and be filled with the Holy Ghost.

Grossmont Junior College Football Coach Sees Bright Grid Outlook

by Bill Ott Jr.

The outlook is bright for Grossmont College's first football team to be fielded in the fall of 1962, according to Jim Erkenbeck who will handle the head coaching chores.

Coach Erkenbeck, who at the present time is in the process of talking to local Grossmont High School District athletes said, "Our district has always been noted for turning out fine athletes, and I think the local players will make outstanding ballplayers in junior college."

Erkenbeck is hoping to get some transfers from the four year colleges who have played some freshman ball, and it is anticipated that Grossmont College will get at least 14 transfers from San Diego City College who live in the GC District. The head mentor stressed that real success in junior college football is achieved only with players who've been in college a couple of years, and who have participated in the higher level of the game, with experience and maturity also playing an important part in the success of a football team.

If we can get 95 per cent of the players that we're after in the local high school district we should be very competitive and well represented for a first year school. It is hoped that enthusiastic support will be given the team from the student body of the school and from the people of the surrounding communities. In a league as tough as ours, one of the best in the United States, we will need a 100 per cent support." The Griffins will be participating in the newly aligned Eastern Conference, and will play on Saturday nights with home games being staged on the Helix High School field.

Casa de Oro's Bank of America Opening Set For Thursday Night

The Biblical saying that "faith can move mountains" will be taken literally when Bank of America holds an open house preview of its new Campo-Conrad branch in Spring Valley this week on Thursday. During the opening ceremony, beginning at 6:45 p.m., a "mountain" will be pushed aside to open the modern banking building to residents of Spring Valley and surrounding communities.

The "mountain" will be an 8-foot replica of Mt. Helix, famed San Diego area landmark, which stands adjacent to the new branch. The model will be moved by James Van Dusen, manager of the new branch, and a group of civic and banking dignitaries.

Assisting with the mountain moving will be Chet Smith, president of the Spring Valley Chamber of Commerce; Gil Ray, president of the Casa de Oro chamber; David Bird, supervisor from the Second District; and Marlene Bates, Miss Spring Valley.

Also on hand will be Jesse W. Tapp, chairman of the bank's board of directors, and Graydon Hoffman, senior vice president. Master of ceremonies will be A. B. Arnett, vice president and manager of the La Mesa branch.

Visitors will be invited to make a complete tour of the modern banking structure during the open house, scheduled from 7 to 9 p.m. They will view its entire 7280 square feet of floor space, including its massive vault and glass topped windowless teller counters, which enable 18 tellers to work simultaneously during peak periods, carrying their cash and supplies with them in specially constructed mobile carts.

They will see a number of interesting displays highlighted by a collection of foreign currency from more than 30 countries over the globe gathered by the bank's international banking department in its many transactions.

Another exhibit will spotlight photographs showing scenes from the branch area's earliest years, presented through the courtesy of the Union Title Insurance Co.

Also planned is a display entitled "Our American Heritage," which presents authentic replicas of some of the most important documents in the history of the United States, including the Constitution, Bill of Rights, and Declaration of Independence.

The Casa de Oro strong box contest will begin at the opening and continue for two weeks. It challenges contestants to guess the number of simulated gold coins in a strong box in the branch lobby. Those coming closest to the exact figure will be winners, and prizes will consist of savings accounts at the branch, ranging in value from $50 to $5.

Light refreshments will be served, and souvenirs will be presented to both adults and children present.

"We feel very fortunate to become a part of this rapidly growing community of Spring Valley and very optimistic about the future. We hope all the folks in the area will drop by at the opening and any time thereafter so that we may get acquainted," Van Dusen said.

The new branch is located at 9710 Campo rd., at the northeast corner of Conrad dr. and Campo rd.

Grossmont College Citizens Advisory Group Starts 'Buttonhole Campaign'

A "buttonhole campaign" to find out what the prospective voter in the Grossmont College buildings bonds election wants to know about the project has been launched by the Grossmont Citizens Advisory Committee.

At a meeting in Grossmont school district headquarters, chairman Mrs. Lou Morrow asked each of the approximately 30 persons present to buttonhole six persons who voted against the bonds last fall, ask them why and then report the answers next month.

The advisory committee is composed of representatives of community organizations.

It is anticipated that the information secured in the buttonhole campaign will help the Advisory Committee in informing the voters in the general primary in June, when the bonds vote is scheduled.

The campaign idea grew from a member's remark that she had been placed at a loss for words when asked by a neighbor why Grossmont College was not accredited. Actually, the college has full conditional accreditation, subject to formal inspection next year by the accrediting unit, the Western College Assn. It was indicated the neighbor probably had voted against the bond issue because of this piece of misinformation.

At the meeting, Grossmont College Dean of Admissions and Guidance Laurance Coons and Dr. Leon Lessinger, director of guidance for the Grossmont Union High School District, spoke on their programs.

TEACHING IN AREA IS HIGH QUALITY

A film, "That They May Live" will be purchased by PTA units in the Lemon Grove, Spring Valley and La Mesa areas, which Mt. Helix Council encompasses, for this project. Teachers, after viewing this film, will be instructed by an anesthesiologist from Grossmont hospital. They, in turn, will instruct our children in this life saving art.

Avondale PTA Board Meets

The executive board of Avondale's PTA will meet on Feb. 13 at 7:30 p.m. in the teachers' conference room of Avondale School.

After regular business has been conducted, Walter Lutes, Avondale's representative to the Grossmont school district's CAC will report on his activities.

WATER DISTRICTS YOUNG AND OLD

Being older is a distinct advantage when you're a water district, for with age comes retirement, retirement of bonds which keep water taxes up. Helix Irrigation District has this advantage, so that although rates vary in some sections, basic tax rate per hundred assessed valuation is 29 cents for CWA and municipal. An extra charge of 56 cents on land only totals up at the end of the year for $4,000 property to $15.52.

Consumers in La Presa district pay to four divisions. CWA gets 13 cents, Municipal 18 cents, Otay 33 cents and La Presa 16 cents. Their cost per year would be $32. Added to previous totals of all taxes, this puts some sections of Spring Valley way out front in tax costs by more than $57. One bright note, though is the fact that the only taxes that have been lowered in the past year are the La Presa Water District and Otay Municipal Water tax. All others, with the exception of Grossmont Hospital District have gone up.

TO ATTEND CONFERENCE

Our area will be represented at the 11th annual Midyear Conference on Good Teaching to be held in Los Angeles on Feb. 9 and 10.

Attending will be Clyde Morton, John Slaughter and Mrs. Ruth Steinmetz, teachers from Avondale Elementary, Highlands Elementary and S.V. Junior high schools, respectively.

FOUNDERS DAY LUNCHEON HELD AT EL CORTEZ

The annual Ninth District Founders Day luncheon was held at the El Cortez Convention Center Feb. 5 and the program was viewed by an audience of 1,500 PTA presidents, Founders Day chairmen, school principals and guests.

A verse choir of fifth and sixth grade Oak Park school students, under direction of Mrs. Doris Stout, a teacher at the same school, listed PTA accomplishments in the field of child welfare since the first unit was formed in 1897. This wonderful example of unison speech was augmented by tableaus and the Harmonettes, a quartet from Linda Vista.

Mrs. Maurice Burns presented Honorary Life Memberships to Miss Beth More, reporter for the San Diego Union, and to Dr. Dunne, president of Palomar College for contributions to welfare of children.

A National Life Membership, one not often given was presented to Mrs. Lloyd (Margaret) Lewis. In order to merit an honor like this, your work in the fields of child welfare must be outstanding, not only in your own city and state, but in the entire country. When the list was read, telling of the services of Mrs. Lewis over the years, all were in accord that the honor was earned.

LG-SV Girl Scouts Start Cookie Sale Saturday

IN SALES CAMPAIGN — These Grovans and Valleyites will help launch the county-wide cookie sale drive this Saturday in Lemon Grove and Spring Valley. They are (l to r front) Darla Walch, S. V. troop 1020, Geraldine Jerome, L. G. troop 209B, and Marcy McMahan, L. G. troop 209B; (l to r back) Frederica Musgrave, L. G. troop 945, Mrs. Veronica McMahan, L. G. leader of troop 209B and cookie chairman for Lemon Grove, and Rosanne Babby, troop 1590. Proceeds go toward camping facilities for the girls.

20,000 GIRLS IN ANNUAL FUND-RAISING DRIVE

Cookie-time is just around the corner. More than 20,000 Girl Scouts, including ones from Lemon Grove and Spring Valley are on their toes, poised to launch their annual cookie sale from Sat., Feb. 10 through February 24.

They promise to bring two delicious flavors to your door for a dollar during the two weeks' sales event to earn money for Girl Scout camping facilities and programs.

"With their cookie sales, Girl Scouts of the San Diego County Council have created their headquarters, which they call 'the house that cookies built,'" said Mrs. Gale Kincaid, Council president.

Proceeds from the current sale will be used to renovate the swimming pool at Camp Davidson in Pine Hills, add tent platforms and facilities at the Cuyamaca Camps, and other improvements needed in Girl Scout year-round camping programs, Mrs. James F. Wingo, Council cookie chairman said.

"The cookie sale is the one annual event in which all girls and adults in scouting try to earn money to meet the capital needs of the Girl Scout Council," she added.

From each box of cookies that a Girl Scout sells, 3 cents goes into the girls' troop treasury, and 22 cents to the Scout Council to provide and maintain camping facilities for the use and enjoyment of all Girl Scouts.

The Girl Scouts are among the 97 agencies that receive operating funds from the annual United Team campaign.

Neighborhood cookie chairmen launched plans for the sales event locally this week at a series of "cookie coffees."

Lemon Grove chairmen are Mrs. Veronica McMahon and Mrs. William N. Kirk, 1670 Dupont dr., and Mrs. Louise Pace. Chairmen for Spring Valley are Mrs. Louis D. Rush, 11071 Casa de Oro blvd., and Mrs. R. D. Williams, 1539 Tarleton street.
